38.	Please describe your data retention and destruction policy:		
39.	Do you have user revocation procedures on user accounts following employee termination?	Yes	No
40.	Do you utilise the following (please select all that apply)? Firewalls at the network		
	Firewalls protecting sensitive resources kept inside the network Web application firewalls (WAF)		
	Anti-Virus or Anti-Malware software that is updated or patched in accordance to vendor recommer Intrusion detection	ndations	
	Prevention systems		
	Proactive vulnerability scanning		
	If selected, do your vulnerability scans include web pages?	Yes	No
	Physical controls preventing access to the network		
	Network access controls for remote access Virtual Private Network (VPN) required to access corporate network remotely?		
	VPN is configured with multi-factor authentication?		
	Multi-Factor Authentication mandatory to access email remotely?		
	Network Segmentation to separate critical areas from non-critical areas		
41.	Do you have process in place to identify rouge devices connected to corporate network? If 'Yes', please provide further details below.	Yes	No
42	Do you enforce a 'strong password policy' requiring passwords of adequate complexity and		
12.	length, avoiding re-use for all accounts?	Yes	No
	If 'No', please describe the measures in place to manage password security:		
43.	Do you enforce Dual Factor Authentication for access to critical information and/or systems?	Yes	No
44.	Do you carry out server and application security configuration hardening?	Yes	No
45.	Do you maintain lists of all assets connected to the corporate network?	Yes	No
	If 'Yes', Is the asset inventory validated at least annually?	Yes	No
46.	How long does the company take to install all vendor recommended security patches/updates? Under 30 days Over 30 Days We don't install patches		
47.	Does the company maintain a Whitelist to prevent malicious software and other unapproved		
	programs from running?	Yes	No
	If 'No', do you apply the principle of least privilege to user rights?	Yes	No
48.	Do you have a formal change control policy which includes risk assessment, testing authorisation, change control procedures and roll back procedures for major systems?	Yes	No
49.	Do you allow Bring Your Own Device (BYOD)?	Yes	No
	If Yes, how do you manage this risk? Please also include details regarding access control and remote de	evice wipin	ıg:
50.	Is write access to USB drives disabled for employees?	Yes	No

Security Policies and Testing Procedures	
51. Please describe how you monitor and actively block advanced malware (which cannot be dete anti-virus software):	cted by traditional
52. Does your company have a social media presence?	Yes No
If 'Yes', are all accounts 'user specific' rather than general administration accounts?	
53. How is social media activity monitored?	
54. Do you maintain any certified information security standards?	Yes No
If 'Yes', please state (e.g. ISO27001):	
55. Do you have a group-wide security policy, which is communicated to all employees?	Yes No
56. Do you have a cyber-threat intelligence gathering function?	Yes No
57. Is regular penetration testing carried out by a 3rd party? If 'Yes':	Yes No
(a) When was the last test performed?	
(b) Were any serious concerns raised in any aspect of the network?	Yes No
(c) Have concerns been addressed and successfully remediated?	Yes No
58. Are regular security assessments carried out by a 3rd party? If 'Yes':	Yes No
(a) When was the last assessment undertaken?	
(b) Were any serious concerns raised in any aspect of the network?	Yes No
(c) Have concerns been addressed and successfully remediated?	Yes No
59. Do you have a continuous awareness training programme for employees regarding data privacy/security, including legal liability and social engineering issues?	Yes No
If 'Yes', does this include any active social engineering testing (e.g. phishing) on employees?	Yes No
60. Do you perform background verification checks for all candidates of employment,	
contractors and 3rd party users?	Yes No
Policy & Testing Procedures	
61. Is IT Risk Assessment conducted annually?	Yes No
62. Is the output of IT Risk Assessment reviewed by executive management?	Yes No
Digital Footprint	
63. Please provide the range of public IP attributed to your organisation.	
64. Please provide a list of domains / subdomains attributed to your organisation.	

Merchants, Points Of Sale and Testing PCI		
65. Do you accept payment via Card-Present transaction?	Yes	No
If 'Yes':		
(a) Are you fully compliant with Europay, MasterCard and Visa (EMV) card processing standards?	Yes	No
(b) Do your Point Of Sale (POS) systems have anti-tampering features?	Yes	No
(c) Please describe the encryption and/or tokenization process of data flowing through your POS		
network, please include whether point-to-point encryption is used:		
(d) Do changes on individual files on the POS system create alerts in real-time?	Yes	No
(e) Do changes to the POS systems require formal approval prior to implementation?	Yes	No
(f) Are your POS devices regularly scanned for malware of skimming devices?	Yes	No
(g) How often is your POS network assessed by a 3rd party?		
(h) Did your last POS network assessment highlight any critical or high level vulnerabilities?	Yes	No
If 'Yes', Have these been remediated?	Yes	No
(i) Is your POS system developed and maintained by a Payment Application Data Security Standard (PA-DSS) compliant vendor?	Yes	No
(j) Have all vendor-provided default passwords been charged?	Yes	No
(k) Please describe how you segregate your POS and corporate network?		
(l) Is all user activity on the network monitored?	Yes	No
(m) Is payment transaction log data collected and reviews on a regular basis?	Yes	No
		□ No
66. Do you accept payment via Card-not-Present transactions? If 'Yes':	Yes	No
(a) Do you use 3rd party payment gateways to process payments?	Yes	No
(b) Please describe how payment card data is captured and transferred to the credit card processor,		
including the encryption and/or tokenization process:		
67. Do you keep an incident log of all system security breaches and network failures?	Yes	No
If 'Yes', please describes the escalation and review process for such incidents:		
Incident Response and Claims History		
68. Do you have an incident response plan that includes a team with specified roles and responsibilities?	Yes	No
If 'Yes', has this been tested within the last 12 months?	Yes	No
69. During the last 5 years, have you suffered from any of the following?	Yes	No
(a) The unauthorised disclosure or transmission of any confidential information for which		
you are responsible	Yes	No
(b) Any intrusion of, unauthorised access to, or unauthorised use of your computer system	Yes	No
(c) Any accidental, negligence or unintentional act or failure to act by and employee or an employee of any third party service provider whilst operating, maintain or upgrading your computer system	Yes	No
(d) The suspension or degradation of your computer system	Yes	No
(e) Your inability to access data due to such data being deleted, damaged, corrupted, altered or lost	Yes	No
(f) Receipt of an extortion demand or security threat	Yes	No
(g) Receipt of a claim in respect of any of the above	Yes	No
(h) Any formal or official action, investigation, inquiry or audit by a regulator arising out of your use,		
control, collection, storing, processing or suspected misuse of personal information	Yes	No
If 'Yes' to any of the above, please provide full details:		

AIG Cyber Risk Consulting Services

AIG's CyberEdge policy provides our Insureds with a range of risk consulting services and preventative tools to provide cyber knowledge, training, security and consultative solutions. These services and tools add valuable layers to a company's line of defense. The services and tools available are:

- Employee Cybersecurity eLearning
- Phishing Simulator
- Blacklist IP Blocking and Domain Protection
- Infrastructure Vulnerability Scan
- Network Security Ratings Security Scorecard
- Cyber Maturity Report
- · One-on-one session with AIG's Cyber Risk Consultant
- CyberEdge Claims Hotline

Please provide a contact's	omail address for our	Cubor Dick C	ancultant to contact	vou rogarding those	tools and convices
riease brovide a contact s	elliali address for our	CVDEL KISK C	onsultant to contact	vou regarding these	toots and services

Declaration

The undersigned, authorised to sign and bind on behalf of the company, hereby declares that the statements and particulars in this Proposal Form are true and no material facts have been misstated or suppressed. A material fact is one that would influence the acceptance or assessment of the risk.

The undersigned agrees that this Proposal Form, and any attachment or information submitted therewith and any and all other information supplied or requested, shall form the basis of any insurance agreement effected thereon. The undersigned further undertakes to inform the insurer of any material alteration to any information, statements, representations or facts presented in this proposal form, occurring before or after the inception date of the insurance agreement.

This Proposal Form is binding on the company and will form the basis of the data protection insurance policy concluded with AIG Asia Pacific Insurance Pte. Ltd.

I agree and consent, and if I am submitting information relating to another individual, I represent and warrant that I have authority to provide that information to AIG, I have informed the individual about the purposes for which his/her personal information is collected, used and disclosed as well as the parties to whom such personal information may be disclosed by AIG, as set out in the contents of the consent claused contained below and the individual agrees and consents, that AIG may collect, use and process my/his/her personal information (whether obtained in this application form or otherwise obtained) and disclose such information to the following, whether in or outside of Singapore: (i) AIG's group companies; (ii) AIG's (or AIG's group companies') service providers, reinsurers, agents, distributors, business partners; (iii) brokers, my/his/her authorised agents or representatives, legal process participants and their advisors, other financial institutions; (iv) governmental / regulatory authorities, industry associations, courts, other alternative dispute resolution forums, for the purposes stated in AIG's Data Privacy Policy which include:

- a) Processing, underwriting, administering and managing my/his/her relationship with AIG;
- b) Audit, compliance, investigation and inspection purposes and handling regulatory / governmental enquiries;
- c) Compliance with legal or regulatory obligations, risk management procedures and AIG internal policies;
- d) Managing AIG's infrastructure and business operations; and
- e) Carrying out market research and analysis and satisfaction surveys.

Note: Please refer to (and if submitting information relating to another individual, refer such individual to) the full version of AIG's Data Privacy Policy found at https://www.aig.sg/privacy before you provide your consent, and/or the above representation and warranty.

Acceptance of this Proposal Form does not constitute an agreement by AIG Asia Pacific Insurance Pte. Ltd. to bind this policy. It is subject to review and approval by AIG Asia Pacific Insurance Pte. Ltd.

The undersigned confirms to have been fully informed about all coverage details including all applicable sublimits. He/she further confirms to have recieved, carefully read and understood the standard data protection insurance policy wording.

Name		Signature	
Title		Date	

Note to the Proposer

Signing or completing this proposal does not bind the Proposer, or any individual or entity he or she is representing to complete the insurance.

Please provide, by addendum, any supplementary information which is material to the response of the questions herein, and/or complete answers to the listed questions if they do not fit in the space provided on the application.

For the purpose of this proposal form, "Proposer" means the entity stated in 1. above and all its subsidiaries to be covered.

All answers should be given as a group response, i.e. if any subsidiary company has different responses these should be provided separately on your headed paper.

Important Notice

Statement pursuant to Section 25(5) of the Insurance Act (Cap 142) or any amendments thereof: you are to disclose in the application, fully and faithfully, all the facts which you know or ought to know, otherwise the policy issued may be void and you may receive nothing from the policy.

The requirement in Section 25(5) of the Insurance Act is set out for your compliance:

No Singapore insurer shall use, in the course of carrying on insurance business in Singapore, a form of proposal which does not have prominently displayed therein a warning that if a proposer does not fully and faithfully give the facts as he knows them or ought to know them, he may receive nothing from the policy.

About AIG

American International Group, Inc. (AIG) is a leading global insurance organization. AIG member companies provide a wide range of property casualty insurance, life insurance, retirement solutions, and other financial services to customers in more than 80 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security. AIG common stock is listed on the New York Stock Exchange.

Additional information about AIG can be found at www.aig.com | YouTube: www.youtube.com/aig | Twitter: @AIGinsurance www. twitter.com/AIGinsurance | LinkedIn: www.linkedin.com/company/aig. These references with additional information about AIG have been provided as a convenience, and the information contained on such websites is not incorporated by reference herein.

AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
